

STUDENT RIGHT-TO-KNOW REPORT

Student Right-to-Know Graduation Rates

The overall graduation rate is also known as the "Student Right-to-Know" or IPEDS graduation rate. It tracks the progress of students who began their studies as full-time, first-time degree- or certificate-seeking students to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled. Graduation Rates for the Bryan University campuses and each respective cohort year for which these data are provided are outlined here:
