In instances where an eBook is used for a course, each student must purchase access to the eBook. Long-term access to eBooks varies by publication, but is limited, in some instances, to two years from the time of validation. In instances where physical print books are used for a course, each student must purchase the textbook. An up-to-date book list by course is available at: <https://bryanu.edu/bryan-university-consumer-information-center/>. Bryan University reserves the right to issue used books when deemed necessary.
