External partners recommended by the campus Executive Director and Bryan University employees who enroll in the MBA program for the March 2014 start will be charged a program charge of \$14,822 (\$14,322 tuition and \$500 Fees), plus the cost of the quarterly book fees in lieu of the per credit hour charge outlined in the tuition chart.

All tuition and applicable fees are due and payable in full the day the student transitions to a regular active student. Students sign a promissory note to pay the portion of tuition and applicable fees not met. The terms of this promissory note will include a schedule of installment payments. All arrangements for financial assistance should be made in advance of the beginning of the student’s program.
